Events Activities Projects

Welcome to the Jubilee Year, 2015!

On the 900th anniversary of its founding, Linden extends a warm invitation to celebrate this jubilee together.

Many organisations and societies in Linden have arranged a multi-coloured variety of events that look at Linden from many different points of view and offer opportunities to meet, share ideas and explore new aspects.

The events will look back into the history of the district, invite us to ponder new social challenges, to enjoy typical Linden creativity, to cast our gaze into the future and to develop ideas for a sustainable Linden.

As life in Linden is in constant flux this flyer does not claim to be complete.

Willkommen · Bienvenido · Bienvenue · Hoşgeldiniz

Come along, celebrate with us and get involved!

If you are planning additional events for the second half of the year please register them by 30 May.
